About Goa Institute of Management (GIM)

Goa Institute of Management is a leading business school focused on transforming and improving management education. Rated among the 'Best B-Schools for the World' in the Positive Impact Rating 2023. GIM endeavours to have a positive impact on the society through its 6 programs getting agile leaders ready for the world. GIM is established in 1993 and it is an autonomous body approved by the norms of AICTE (All India Council of Technical Education), which offers two years of full-time residential PGDM programmes, i.e., PGDM, PGDM-Healthcare Management (HCM), PGDM Big Data Analytics (BDA) and PGDM-Banking, Insurance and Financial Services (BIFS), as well as the Fellow Programme in Management (FPM). The PGDM-Part Time programme for working executives is a non-residential programme carried out over weekends for student managers. GIM celebrates bonding and connections with over 5,000 of its influential alumni located in more than 15 countries across the globe. GIM has continued to maintain 100% placements for the past many years. Our students intern in almost all major corporates in India and abroad. Our faculty team consists of 75+ full-time, highly skilled, and experienced academic members, many of whom come from the industry sector.

About GIM Library

Goa Institute of Management Library, a one-stop centre for all user informational needs. The Library has a well-designed, cutting-edge infrastructure supporting reading and research needs. Resources for learning and knowledge, both in print and digital form, are well-equipped and stocked in the library.

- 24 X 7 access to Library
- GIM subscribes to all relevant academic databases including Bloomberg Terminals, Thomson Reuter Terminals, CMIE Databases, EBSCO, Proquest, Indiastat, EPWRFITS, J-Stor, Science Direct, Indian Business Insight (IBI), Edzter, ET Prime, Sage Journals, Scopus and more.
- All housekeeping operations are automated using state-of-the-art Library Management System (Koha).
- Archiving the Digital Institutional Repositaries by using DSpace software
- RFID Technology provide much needed security and self-supported borrowing facility for the users.
- Designed and developed Library Website using Wordpress CMS
- QR Code Technology is established to access all resources easy at their fingertips
- Ebsco Discovery Service (EDS) tool is used for single window search for all subscribed databases
- Turnitin Plagiarism Check tool using for generating similarity level report
- Grammarly using as a communication tool

About LDP

"A Five-Day National Level Librarian Development Program (LDP) on Emerging Trends, Technologies and Methods for Effective Librarianship" is designed to provide librarians with practical insights and skills to adapt to the rapidly changing landscape of information management.

Key objectives of the LDP are:

1. **Introduction to innovative technologies:** Participants will be introduced to various innovative technologies such as artificial intelligence, machine learning, blockchain, augmented reality, data analytics, and their applications in library settings.
2. **Hands-on training:** The LDP will offer hands-on training sessions where participants can gain practical experience using different technology tools and techniques. This could involve interactive sessions, demonstrations, and exercises to facilitate learning and skill development.
3. **Integration with librarianship:** The LDP will focus on how these technologies can be integrated into different aspects of librarianship, including collection management, information retrieval, user services, digital preservation, and academic research support.
4. **Best practices and case studies:** Participants will learn about best practices and real-world case studies showcasing successful implementations of innovative technology solutions in libraries. This will provide insights into how these technologies can address challenges and improve efficiency in library operations.
5. **Collaboration and networking:** The LDP will provide opportunities for participants to network with peers, exchange ideas, and collaborate on potential projects or initiatives leveraging emerging technologies in librarianship.

Major Topics to be Covered

- Futuristic Vision of Libraries
- Professional Competencies and Skills for Librarians
- Emerging Trends and Technologies for Effective Librarianship
- Marketing of Library Resources, Services and Products
- Open Knowledge Mining and Creative Commons
- Library Creative Spaces and Green Initiatives
- Application of Mobile Technologies in Libraries
- Best Practices on Library Services: Case Studies
- Role of Academic Libraries in the implementation of NEP 2020
- Online Information Search Strategies and Techniques in Intelligent Information Retrieval
- Responsive Web Pages and Chatbot Technologies
- ICT Enabled Security Tools, Technologies and Implications
- E-Research Tools and Techniques
- Research Data Management with Mendeley and AI Tools
- Digital Skills for Library Professionals
- Development of Digital Repositories using DSpace: Practical Session
- Web Page Design using WordPress: Practical Session
- Harnessing AI for Institute Intellectual Presentation and Literature Service: Practical Session
- Introduction to AI Tools and Techniques: ChatGPT 3.5 and ChatGPT 4.0: Practical Session
- Google Data Studio: Practical Session
- Canva Designing: Practical Session
- Creative Suite Mastery (Audacity, OpenShot, Camtesia Studio, InkScape, Youtube Mastery, Google Drive Full Spectrum): Practical Sessions

Resource Persons

Dr. M G Sreekumar
Director - Library
Jio Institute, Mumbai

Dr. T S Kumbar
Advisor - Library
IIT Gandhinagar

Dr. Sanjay Kataria
University Librarian,
Bennett University, Noida

Dr. Nabi Hasan
Librarian & Head
IIT, Delhi

Dr. Suresh Jange
University Librarian
Gulbarga University

Dr. Gopakumar V
University Librarian
Digital University Kerala

Dr. Sunil M V
Librarian
SDM Institute, Mysuru

Dr. M P Tripathi
Deputy Librarian
NIT, Jalandhar

Dr. Mallikarjun Angadi
Librarian
NITK, Suratkal

Dr. Vimalkumar
Reference Assistant
MG University, Kottayam

Important Dates

Program Duration:	**May 20-24, 2024 (Offline)**
Program Timings:	**9.00 AM - 5.30 PM**
Last Date for Registration:	**10.05.2024**

Target Participants

Online registration and payment link @ https://rzp.io/l/78AH1EbB

Accommodation

The institute will arrange free accommodation only for out of state participants during the period of LDP at GIM's Hostel on twin sharing basis. The participants must request accommodation in registration form.

How to Reach Goa

By Flight
Goa has two international airports, they are located in Dabolim - 30 km away from Panjim and MOPA near Mapusa. Multiple domestic airlines like Jet Airways, Air India, SpiceJet and IndiGo provide daily flights from major cities

By Road
Plenty of long-distance inter-state luxury and budget buses run from major cities such as Mumbai, Pune, Bangalore, New Delhi to Goa. State-run bus service, Kadamba Transport is also a good option. Most buses to and from Goa operate from Panjim, Margao, Ponda and Mapusa.

By Train
Goa has six railway stations out of which the Madgaon Station is the biggest. Most people usually get down at Madgaon or Vasco-da-Gama in South Goa and Thivim in North Goa for Mapusa. Other smaller stations include Pernem for Arambol, Karmali (Old Goa) for Panjim and Canacona for Palolem.

How to Reach GIM

From Airport
Prepaid taxis are available right outside the airport. The prepaid booth charges around Rs700-800 to reach GIM.

From Railway Station
Prepaid taxis or autos are available right outside the Madagaon railway station which is situated 45 km from the GIM Campus.

From Bus Stand
1. Take a bus to the Sanquelim bus stand from the Panjim bus stand. During regular business hours, finding a bus won't be an issue because they depart every 15 minutes. The fare from Panjim to Sanquelim is around Rs 30.
2. Take a motorbike pilot to the college from the Sanquelim bus stop, which is 2 kilometres away. From the bus stop, bike pilots will transport you to the college for Rs 50 per person.
3. To get to GIM, you can take prepaid taxis or Autos

Organizing Committee

Chief Patron
Prof. Ajit Parulekar
Director, Goa Institute of Management

Patron
Prof. Sumit Datta
Registrar, Goa Institute of Management
