

A Brief Introduction

The Library Newsletter connects and keeps the GIM fraternity informed about all the resources, services, facilities and initiatives provided here. The first issue of the Library Newsletter mirrored statistics of all available resources and services and presented glimpses of Library initiatives. Consecutively, the upcoming issues of Library Newsletter are continually establishing connectivity with the user community of GIM

GIM Library: At a Glance

The Library at GIM has been a part of the institute since its inception in 1993. Back then, it was operating from the Ribandar Campus, Near Panaji, with a collection of a little over 10000 books and couple of staff members. In the year 2011, the Library has been shifted to present campus at Sanquelim.

The Library aims to provide a user-friendly platform to all users to access print and online resources without any hassle through KOHA OPAC along with remote access facility. The library is fully automated with KOHA open source software for daily housekeeping operations of the library across the campuses. Currently, GIM Library has more than 35000 print books, 75 print journals, more than 20000+ e-journals, around 25000 e-books and 25 online databases.

GIM subscribes to all relevant academic databases including Bloomberg Terminals, Thomson Reuter Terminals, CMIE Databases, EBSCO, Proquest, Indiastat, EPWRFITS, J-Stor, Science Direct, Indian Business Insight (IBI), and more.

RFID Technology provide much needed security and self-supported borrowing facility for the users.

Technology Integration

Library Website

The library homepage serves as an integrated interface of all services available from the library.
<https://library.gim.ac.in>

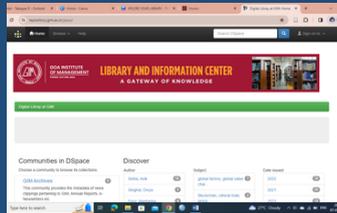

Library ILMs - Koha

All transactions of the library material like an issue, return, renewal and hold are done through Koha.
<https://webopac.gim.ac.in/>

Institutional Repository - DSpace

The Institutional Repository (IR) of GIM is built on the DSpace platform. It is a digital service that collects, preserves, and distributes digital material produced by the GIM.
<https://repository.gim.ac.in/jspui/>

<https://erp.gim.ac.in/>

ERP (E-Varsity)

The GIM Library is using ERP for acquisition of library materials like books, journals, cases, simulations etc. Faculty recommends the required materials and Program Chairs approved them before procurement.

Remote Access to E-Resources

Remote Access facility is provided using Knimbus platform. User credentials are required to access this platform. Users can register using GIM email ID.
<https://gim.knimbus.com/>

RFID Technology with Kiosk

- High Security for Books
- Easy Transactions
- Self-supported borrowing system
- In/Out Management
- Automated Inventory
- RFID Card for all transactions
